There are available in the CIA Library photocopies of the following three Italian untranslated reports dealing with financial and legal activity of the Istituto Nazionale Confederale per Assistenza (INCA; National Confederate Institute for Assistance):

- a. A one-page report listing the amount of payment made by the INCA Administrative Office to the 19 provincial Chambers of Labor as of 10 November 1954. Although these payments were allegedly made "to cover provincial services", they are reportedly in reality hidden subsidies to the Confederazione Generale Italiana del Lavoro (CGIL; Italian General Confederation of Labor) as agreed upon by the Central Directorate of INCA;
- b. A three-page report, dated 21 December 1954, which gives the names of all legal consultants attached to provincial offices of INCA; and
- c. A three-page report, dated 3 January 1955, which includes the budget of the Rieti Chamber of Labor of the period 1 November 1953 through 30 April 1954; and the INCA budget in Rieti for the year 1953.
